

Written by Charles Nichols <mohawke@gmail.com>, November 2015

I wrote this for people with a condition called MSUD, or maple syrup urine disease to calculate leucine intake. The calculations are derived from this article:

<http://www.msud-support.org/index.php/articles/news/184-The-lowdown-on-leucine---grams,-milligrams,-and-exchanges>

It is recommended that you consult your doctor before using this product. Have your physician evaluate whether this software meets your individual needs. Use this software at your own risk.

Liability Disclaimer And User Agreement

General

This software is offered to you, the user ("User") free of cost, conditioned on acceptance of the terms, conditions, and notices contained herein, without modification. User use of this software constitutes acceptance of these terms and conditions.

Disclaimer Of Liability And Reliability

In preparation of this software, every effort has been made to offer the most current, correct, and clearly expressed information possible. Nevertheless, inadvertent errors in information may occur. In particular but without limiting anything here, Charles Nichols disclaims any responsibility for typographical errors and accuracy by the calculations and/or the information that may be contained in the Leucine Calculator software. Charles Nichols makes no warranties or representations whatsoever regarding the quality, content, completeness, suitability, adequacy, sequence, accuracy of such information and data.

The information, and data made available by the Leucine Calculator are provided "as is" without warranties of any kind. Charles Nichols makes no representations or warranties regarding the condition or functionality of this software, its suitability for use, or that this software will be error-free.

If inaccurate or otherwise misleading information is brought to my attention, a reasonable effort will be made to fix or remove it. Such concerns should be addressed to Charles Nichols at mohawke@gmail.com.

Disclaimer Of Damages

By using the Leucine Calculator software, the User assumes all risks associated with the use of this software, including any risk to User's computer, software or data being damaged by any virus and/or software malfunction. Charles Nichols shall not in any event be liable for any direct, indirect, punitive, special, incidental, or consequential damages, including, without limitation, lost revenues, or lost profits, arising out of or in any way connected with the use or misuse of the Leucine Calculator software or with the inability to use this software, or from any information, whether based on contract, tort, strict liability or otherwise, even if Charles Nichols and/or any of his affiliates have been advised of the possibility of damages. Charles Nichols shall not be liable for any loss or injury caused in whole, or in part, by his actions, omissions, or contingencies beyond his control, including in procuring, compiling, or delivering the information, or arising out of any errors, omissions, or inaccuracies in the information regardless of how caused, or arising out of any user's decision, or action taken or not taken in reliance upon information furnished.
